March Network Call

Last week was the final week to introduce new legislation. Join us on March 1st to discuss what you can do to support and champion policy and system change. This call we will be discussing 2018 legislation, the budget, and administrative advocacy.

We will also be discussing the Trump administration's proposed "Treatment Refusal" Rule, next steps, and how to get your community involved in pushing back against this unfair discriminatory policy.

CELEBRATING BLACK HISTORY MONTH

IN JUNE 2017, THE CITY OF
PHILADELPHIA UNVEILED A NEW PRIDE
FLAG, ADDING A BROWN AND BLACK
STRIPE TO THE ALREADY EXISTING
RAINBOW.

The #Out4MentHealth Team included the black and brown stripes in our logo as a message of solidarity with LGBTQ people of color and as a reminder of the need for inclusivity within the LGBTQ community.
