• Military Ban:
  – Went into effect April 12
  – Not retroactive
The Trump administration has been attacking trans students and trans immigrants — and now they are targeting our access to health care. We anticipate a proposal from the administration any minute now falsely claiming that health care providers and insurers may legally discriminate against transgender people. Sign up here to be the first to learn how to take action as soon as the proposal is released.
THE TRUMP-PENCE ADMINISTRATION JUST FINALIZED A DISCRIMINATORY RULE THAT ALLOWS HEALTH CARE PROVIDERS TO USE THEIR RELIGIOUS OR MORAL BELIEFS TO DICTATE PATIENT CARE.

WE WILL SUE.
