March Call Reminder

Last Friday was the last day to introduce new bills in the California legislature. We've been busy going through the 2,576 bills that were introduced and will be discussing the potential policies that impact LGBTQ people and our health on this month's call.

We will also hear from The TransLatin@ Coalition about their [#TransPolicyAgenda](#), which was released this month and is a resource for advocacy and community organizing across the country, with information specific to the state of California.

We'll also be sharing news about the [#Out4MentalHealth Community Survey](#), which is launching in March.

We look forward to talk!

LGBTQ+ Community Survey

Register now for #Out4MentalHealth's upcoming LGBTQ+ Community Survey!

We regularly run up against the lack of data in our advocacy work. This survey is designed to capture the lived experiences of diverse LGBTQ+ Californians and will help us advocate for programs, resources, and policy changes.

Participants over the age of 18 who complete the survey will have a chance to win a gift card worth up to \$50. The first 500 youth aged 17 and under who finish the survey will have the option to receive a \$5 gift card.

Other Announcements

#Out4MentalHealth Trainings Request Form

#Out4MentalHealth offers provider and community trainings each year at no cost to non-profits, counties, and other organizations in California. #Out4MentalHealth is a statewide LGBTQ mental health advocacy project funded by the Mental Health Services Oversight and Accountability Commission with MHSAs dollars.

We are offering many trainings this year and we invite you to respond to this opportunity.

We ask you to identify why your community needs a specific training and whether you or fellow organizations have the capacity to host the trainings. We will use this information and the timeliness of your response to help us determine where we will schedule our trainings.
