WE BREATHE

SUPPORTING TOBACCO-FREE LGBTQ COMMUNITIES

Dear Network members,

The Network is excited to invite you to be a part of our statewide project We Breathe: Supporting Tobacco-Free LGBTQ Communities. We Breathe facilitates connections, educates LGBTQ Californians and elected officials, and provides strategic guidance for preventing and reducing tobacco use among LGBTQ Californians.

We Breathe is currently seeking up to 10 subcontractors to perform various community engagement activities supporting tobacco-free LGBTQ communities. Awards are up to \$5,000 per year, for specified outreach and education activities, including outreach at Pride and other community events, disseminating community surveys, working with local GSAs, and more. Many activities are flexible to allow organizations to work to your strengths.
