COVID-19 Partnership in California --The American Lung Association is one of four nonprofits that Governor Gavin Newsom's recruited to help promote the *Stay Home. Save Lives. Check In* campaign to combat social isolation and food insecurity during this COVID-19 pandemic. The campaign features the tag line. Non-profits are stepping up, can you? Here is a [new TV PSA featuring Better Breathers Club member Ellen Ortega of Chula Vista](#) about the importance of reaching out to our neighbors.

COVID-19 Outreach

The American Lung Association has launched a [COVID-19 television public service announcement \(PSA\)](#) and this [web video](#) from lung disease patients thanking you for staying home.
