Dear Network members,

Today is the day - your last chance to vote in the 2020 election. California polls are open until 8 pm and if you are in line by 8 pm, it is your right to cast your ballot.

Every registered voter in California should have received a vote-by-mail ballot. If you did not receive a ballot or have misplaced your ballot, you can request a new ballot at your [polling place](#) or the nearest vote center.

If you have any questions about how to vote in this election, you can call the California Voters' Helpline at (800) 345-8683.

We likely won't know the outcomes of many items that are on our ballots before the end of the night - including the presidency, control of the Senate, and the California ballot measures.

We will be discussing the Election outcomes we have on our November Network call - how those outcomes impact LGBTQ health and wellbeing, and how your organization can
